# THE ULTIMATE GLOBETROTTER

Simon Reeve is heading off on an epic Mediterranean adventure...

## Hi Simon. Why the Mediterranean?

I knew it would give us loads of stories and an incredible journey, but what I didn't realise was just how extreme a place it would be. We're so hardwired to think of the Mediterranean as being beaches with all of those postcard views but, actually, there are some very stricken and sometimes dangerous places along it.

## Did you find yourself in danger during filming then?

We had a very weird situation where the elite Italian Special Forces took us out on a live anti-Mafia operation. They took us to see Mafia escape tunnels, which eventually involved us crawling down this sewer pipe escape tunnel through dry poo at three o'clock in the morning! It still gives me shivers now.

## How scary did it get?

They turned to us and said, "This isn't the territory of Italy – this is the territory of the Ndrangheta – the Mafia organisation in Italy." They're the most powerful organised crime

group in Europe right now. We all felt that we were entering into enemy territory. We were worried that we might encounter a patrol of theirs, or they might catch us.

## You're often described as "fearless" – would you agree?

I'm definitely not fearless, but I think experiences have shown me that it's possible to survive difficult situations, so I try to channel fear into excitement and enjoy tricky experiences. Plus, we are careful – we're not blindly walking into gunfire. We try to mitigate the risk as much as we can, so fear doesn't come into it a huge amount.

## What does scare you?

I get really, really bad vertigo. It's quite bizarre, as I get it in weird situations. I can go up in a microlight, or hang out of the side of a helicopter, but on a ladder, or looking over the edge in a tall building my legs really start wobbling!

# THE DOCTOR WILL SEE YOU NOW

Strap in! Doctor Who's 13th Time Lord, aka actress Jodie Whittaker, is ready to take us on a thrilling adventure...

**I**t's the moment *Doctor Who* fans across the globe have been waiting for – the arrival of the 13th Time Lord. And as the promo rightly says, it's about time.

This series the show is making history, as *Broadchurch* star Jodie Whittaker is the first female Doctor to step foot inside the world-famous TARDIS.

Talking about her widely discussed casting, Jodie recently revealed, "Obviously I can only describe it from my own personal experience, but I appreciate it as a 'moment' in television and in film for British culture."

But the actress has also been quick to point out, "Women are not a genre. We are the other half of the population. So to see us doing things like this shouldn't be such a surprise.

It is a moment, and I'm part of it and I'm proud of it, but I can't wait for it to not be a moment as well."

Yet that's not the only first for the show, as this time the Doctor will be joined by a team of three companions – Graham (played by Bradley Walsh), Ryan (Tosin Cole) and Yaz (Mandip Gill).

And the new awesome foursome promise to be exciting additions right from the offset in the aptly titled first episode *The Woman Who Fell To Earth*.

Describing them as her "dream team," it's clear Jodie and her cast mates have

hit it off and have natural chemistry not just on screen, but also when the cameras stop rolling.

Speaking about how they all got on behind the scenes, Jodie recently said, "There's so many moments where Brad would say something and he's reduced the three of us to tears.

"Mandip and Tosin are also hilarious and it worked so well because we clicked into each other's humour."

As for what's in store in the first episode

and beyond, fans will have to wait and see. But one thing is certain – with Jodie's warm and funny Doctor on board, it's bound to be a series that not only goes down in the history books, but also captures new fans.

So what does Jodie hope the dedicated Whovians – plus those coming to the show for the first time – might take away from the series?

When she was first cast Jodie teased, "When it's all put together in one series, I hope it will blow the audience's minds as much as it blows mine when I read each new script.

"It's never going to feel like [other jobs], because it's this job and it's amazing. It's a world away from any part that I've played before."

**Doctor Who, Sunday, 6.45pm, BBC1**

The "dream team" are set for new adventures

## HERE COMES THE BRIDE

Newlywed Olivia Buckland is helping other brides in *Second Chance Dresses*

**L**ove Island star Olivia Buckland got her own happy ending when she tied the knot with Alex Bowen this September. And now she's helping others get their fairy tale, too. Hosting new TLC show, *Second Chance Dresses*, Olivia will assist bride-to-bes in their search for a second-hand wedding dress that they can make their own. Here, Olivia tells us what to expect...

**Tell us about your new show...**

The concept of the show – finding brides a dress that has previously been owned – is amazing. It had some awkward moments, drama and tears and laughter, but it's such a nice thing to sit down and watch with your family.

**How does it work?**

There's always a style that a bride thinks they might like, so we pick three dresses with the sellers that are similar to that. But then the wildcard – which is my favourite – is the opposite to what they might want, so something they might not have the confidence to wear. They always think they're going to hate it but a lot of the time, they loved it!

**Did you bond with the brides?**

Massively. One of my brides stands out for me called Myra. She was a motivational speaker but for some reason didn't have confidence in herself. At the end of the day, she came up to me and said, "You've changed my life – I've never looked at myself in this way." I burst into tears. That is the reason I adored this show.

**Are you a fan of any other wedding shows?**

I was on *Say Yes To The Dress* and my mum is fully addicted to wedding dress shows, so when I used to live with her we used to watch them always.

**Did you dream of your own show?**

I have dreamt of presenting and also studied fashion and art and photography, so it's always been stuff I've been interested in, but never thought I'd be able to combine. It's been a dream come true.

**Congratulations on your own wedding. How are you feeling now?**

A bit of a whirlwind really. It feels like it didn't happen and a bit like a dream, but it was the best day of our lives.

**Second Chance Dresses, Friday, 8pm, TLC**

# TOO MANY COOKS?

Gordon Ramsay, Gino D'Acampo and Fred Sirieix are teaming up again for the ultimate road trip around Europe – but it's not always a smooth ride!

**W**hat do you get when you put three big egos into one small camper van? We're about to find out.

Following the success of their ITV festive show, *Great Christmas Roast*, Scottish chef Gordon Ramsay, Italian foodie Gino D'Acampo and *First Dates* French charmer Fred Sirieix are reuniting for a new three-part series.

In *Gordon, Gino And Fred: Road Trip*, they'll be exploring their homelands as they try to teach the other two a thing or two about the cuisine in their country. There's plenty of boyish banter along the way and, as each take it in turns to drive, a fair bit of road rage!

Famously fiery Gordon explains, "Anyone who has been to Italy or driven around the Champs-Élysées will know the French and the Italians can't drive. So it was almost like taking them on a British School of Motoring driving lesson to understand how important it is to be safe and talk to me with both hands on the wheel. My driving is exemplary. Those two are muppets."

Of course, Gino and Fred are quick to disagree.

Gino says, "The best driver is definitely Fred, because Gordon gets distracted and then he gets very boyish. He goes fast, he goes around the roundabout and doesn't care about anyone else."

But that wasn't the only bone of contention. Recalling what it was like sleeping together in such a small space, Gordon laughs, "It was fine until Gino started cuddling me because he was getting a bit nervous out in the wild with no teddy bear, no hot chocolate, no Netflix and no moisturiser."

"When he started putting both arms around me at quarter past three in the morning, it was time to sit in the front seat and recline it. Also, Italians may look good and dress smart but, my God, does this man smell. He can fart."

Gino adds, "It was a nightmare because Fred snores, Gordon is too big and he takes all the bed, all the space. Then somebody wakes up in the middle of the night, use the toilet and flush it then leave the light on!"

Naturally, the boys are equally vocal when it comes to the food they sampled on their journey.

Gordon says, "The best food has to come from Scotland; the hand-dived scallops and the amazing beef."

While Fred is much more diplomatic and insists, "We did not have any bad food. Gino got us to discover the oldest pizzeria in Naples. They make the best pizza I have ever tasted. As for Scotland, the scallops were delicious."

But despite winding each other up, Gordon, Gino and Fred all agree that they came out of the trip with an unbreakable bond.

Gordon says, "If there's ever a marriage made in heaven, it has to be a Scotsman, an Italian and a Frenchman. I very rarely come across three guys in a situation that bond the way we have."

Gino continues, "We'd love to do another trip. Fred wants to go to Jamaica, Gordon wants to take us to Las Vegas and I want to take them to Hong Kong."

Watch this space...

# BREAKDOWN RECOVERY

There's a new comedy hitting our screens that will set tongues wagging, as the stars of *Women On The Verge* explain...

**T**hree women in three very different yet similar places in their lives are the best of friends, but there's a lot going on behind the scenes. The new comedy drama series by Lorna Martin and Sharon Horgan, *Women On The Verge* starts this week and promises not to disappoint.

Starring Kerry Condon as Laura, Nina Sosanya as Katie and Eileen Walsh as Alison, the three women are struggling to cope with life in their mid-30s. Laura, on the verge of a breakdown, starts seeing a therapist who's played by Horgan. Alison is 38 and dreams of being a mum, but is single and doesn't know how to go about it. Finally there's Katie, who's had a baby with a man she doesn't love and risks repeating old mistakes. Here, the stars tell us more...

**Hi everyone! So tell us about your characters...**

**Nina:** They're not daft, and that's sort of where the fun and the conflict comes from. They're going, "I shouldn't be doing this, but I can't stop myself."

**Eileen:** There are lots of those moments of daftness, where your friends go, "Did you just hear what you said?"

**Kerry:** It's lousy for Laura because there's a sadness of the fact she's trying to catch a break and she can't. But then with her friends, there's this idea that when you're settling down everything is fine. Well, it's not. That's a whole other journey. But it's sold to people who aren't in that situation that if you don't have a husband or you don't have children, that's it.

**Eileen:** And yet people that are in those relationships are like, "Do you

have a lovely time when you go out? It costs me a fortune to get a baby-sitter. You can shag anyone. Can I live vicariously through you?"

**Nina:** The grass is always greener, whichever side you're on.

**Kerry:** And you can't have it all.

**What's their friendship like?**

**Eileen:** What's brilliantly written within it is that sometimes you get a certain thing from one friend that you don't necessarily look for in the other friend. My character Alison can share something with Katie, but she needs to protect it from Laura, or whatever, so there are different dynamics and that's beautifully done in the script.

**Nina:** And that is interpreted by Laura as being left out. Which feels really true.

**Kerry:** It's not all roses, the friendship, and there's jealousy as well. Definitely Laura is a little jealous of Alison.

**Nina:** And she fears Alison taking over that friendship.

**Comedies about women in their 30s and 40s seem to be on the up at the moment. Why do you think that is?**

**Nina:** I would say that the fun isn't actually watching them not being able to cope, because they are actually coping. It's just that it's a hard road. It's a tricky, bumpy road and ripe for comedy. Because the harder something is, the more potentially funny it is. But it's sort of about coping rather than not, or you'd fall off the edge.

**Eileen:** There's also that thing of suddenly it's OK to talk about periods or not being satisfied in your sex life or having more than one partner.

**EMMERDALE'S ICONIC VILLAIN KIM TATE IS BACK AFTER 20 YEARS AND QUICKLY WREAKING HAVOC! ACTRESS CLAIRE KING TEASES MORE...**

**THIS WEEK KIM MAKES AN EPIC RETURN. WHERE HAS SHE BEEN SINCE WE LAST SAW HER?**

Kim's obviously been a very naughty girl because she's been in prison for quite some time. Some of her heinous crimes have caught up with her!

**THE FIRST THING KIM DOES WHEN SHE'S OUT OF PRISON IS TELL GRAHAM TO GET RID OF JOE. WHY DOES SHE WANT JOE DEAD?**

It will all become clear, but she's been pulling the strings from prison – Joe and Graham both really work for her. Joe's gone a little bit rogue by planning to marry Debbie. She doesn't approve of the Dingle wedding at all.

**NEXT, KIM SURPRISES EVERYONE AT THE HOME FARM MASQUERADE BALL. WHAT HAPPENS?**

Kim arrives dressed to the nines with a mask on. They are auctioning a car for charity and she happens to be driving the car.

**HOW DOES EVERYONE REACT?**

Everyone's saying, "Who is this woman?" so she takes off her mask and reveals herself and says, "Me? I own the place!" There's one or two people that recognise Kim and they're shocked to find out that she's back.

**HAS SHE CHANGED?**

She has changed – but not for the better. It's hardened her being in prison. I would say she'd trample over anyone to get what she wants.

**BUT IT'S NOT PLAIN SAILING AS SOMEONE PUSHES HER DOWN THE STAIRS AT THE BALL. WHO ARE THE MAIN SUSPECTS?**

Kim really suspects that it's one of the Dingles. But she's hedging her bets on Charity more than anyone else because she was the gobby one at the party.

**WHY WAS IT RIGHT FOR KIM TO RETURN NOW?**

It's been something that people have discussed ever since I left 20 years ago, and it just felt like the time was right. Having Joe Tate in there, it slotted in a lot easier.

When Joe doesn't show at the chapel, Debbie tries to call him, but he's nowhere to be seen. At the party, the guests are shocked when Kim turns up and she quickly makes even more enemies with her acid-tongue. So when Kim is pushed down the stairs, who could it be? ### Doctor Who

No more waiting – the time has finally arrived. The 13th Time Lord and her team are about to bound on to our TV screens to start their new adventures in the 11th series of the juggernaut show. And it's one for the history books. Not only is *Broadchurch* actress Jodie Whittaker at the helm as the first female Doctor to be stepping into the TARDIS, but this time she's joined by an entire team of lovable companions – Graham (Bradley Walsh), Ryan (Tosin Cole) and Yaz (Mandip Gill). The story is thought to pick up directly after we last saw Jodie's Doctor

After finding herself stranded in Sheffield, there's only one thing to do – find the TARDIS with the help of some new friends. While the rest of the plot and storylines for the 11-episode series remain a closely guarded secret, there is one thing for certain – with a brand new team and a fresh timeslot, it's the perfect end to your weekend and one for all the family to sit down and enjoy together. ★★★★★

## Fashion's Dirty Secrets: Stacey Dooley Investigates

9pm, BBC1

This year's *Strictly Come Dancing* star Stacey Dooley returns to the box – but this time she's not dancing alongside Kevin Clifton in sequins, but back to her day job fronting another eye-opening documentary. With news that the clothing industry is thought to be one of the most damaging trades to our planet, Stacey sets out on a mission to explore how what we wear could be affecting all of us and our surroundings in this one-off special. With the clothing industry booming like never before and with consumers rushing to buy the latest looks for their wardrobe, are people

really aware of the true cost of their clothing and what is at stake? Stacey witnesses first-hand how toxic chemicals being released by garments are polluting the waterways, that millions of people rely on, in shocking ways. Setting off to find answers, she'll meet with various people and visit places to get the answers she needs. Among the locations she stops by at is the Aral Sea, formerly one of the largest bodies of fresh water that has now been reduced to no more than dust. Her encounters leave Stacey asking: "What's the cost of what we're wearing?" ★★★★★

## The Circle: Live Final

10pm, Channel 4

It's had viewers gripped for the past couple of weeks, but tonight the latest experimental reality show draws to a close. But who will win the popularity contest and take home the prize of up to £50,000? ★★★★★

## Strangers

9pm, ITV

The stakes are getting even higher as Jonah (John Simm) continues his desperate search for answers. Left with no choice, he decides to go undercover so that he can get a definitive answer to whether David was connected to Megan's death. But it's not going to be an easy path for him to take – especially when he comes up against a known killer. ★★★★★

## Serena

11.50pm, Film4

Dream team Jennifer Lawrence and Bradley Cooper are a force to be reckoned with in their third film collaboration – this time a gritty romantic drama based on the novel of the same name. When George Pemberton marries impoverished Serena it's not just the future of his timber empire that hangs in the balance, as secrets and lies look set to undo them. ★★★★★

## NEW SERIES

### The Good Doctor

9pm, Sky Witness

It's already been a huge mega-hit across the pond in the US, but now the medical drama's anticipated second series appears on British screens for the first time. Picking up straight from the ending of the first series, young autistic Dr Shaun Murphy (Freddie Highmore) is facing a big dilemma as his medical career at St Bonaventure Hospital continues to hang in the balance and his planned treatment of a homeless patient – something strictly against hospital protocol – puts him in the line of fire once more. Could this really be the end of his career? Or will he be given one

last chance? But Dr Murphy is far from the only person in the hospital who is trying to overcome a problem. In fact, his colleagues are also up against it. Despite being offered a slight glimmer of hope at the end of last series – Dr Glassman was told that he actually had a low-grade glioma that could be treated, as opposed to the inoperable brain cancer he'd been led to believe – things are still messy. Now he must overcome his personal feelings for his oncologist, Dr Marina Blaize, and face his health problem head on without distractions. ★★★★★

### Wanderlust

9pm, BBC1

As the finale episode airs, Joy and Alan must face up to their future and make one big decision for them and their family. But the on-off couple are not the only ones with a lot of thinking to do. Their son Tom's relationship takes a surprising turn, while their daughter Laura needs to work out what she really wants. Will they remain a happy family? ★★★★★☆

### First Dates Hotel

9.15pm, Channel 4

In the last episode of the series, another group of singletons pack their overnight bags and head to the First Dates Hotel hoping to find love. This week Othello, 27, is looking for someone to give him his mojo back since he lost his hair, Mark is new to the world of gay dating and Georgie is hoping she'll break the habit of a lifetime and choose the right man. ★★★★★★

FILM OF THE DAY

### Mrs. Doubtfire

6.35pm, Film4

Robin Williams takes on the central role in this classic comedy about Daniel Hilliard, a separated actor who desperately wants to see more of his kids. When his wife lets slip she's going to hire a housekeeper, Daniel's brother helps transform him into Scottish widow Mrs Doubtfire – with both hilarious and heartwarming consequences. ★★★★★★

## The Apprentice

9pm, BBC1

We're heading back to the boardroom for another tense episode of *The Apprentice* tonight and Lord Sugar has a tough challenge in store for the candidates. This week he's asked them to go to the House of Illustration, an art gallery in the UK that's devoted just to graphic art. When they get there Lord Sugar is there to greet them, but not as they'd expect. He's using Augmented Reality technology to speak to the group and assign them their task. This week they've got to create a comic book that's entirely original for kids aged between

eight and 12. Not only do they need to come up with a name for the comic book, but also a main character and a story that needs to be truly original and exciting. Plus, the cover will be designed using the AR technology that they just spoke to Lord Sugar on. The comics will be printed overnight so they then need to prepare their pitch for the industry figureheads who'll potentially be ordering their product. Who will come out on top, the boys or the girls? We can also reveal that there will be a rap involved in one of the pitches too. Sounds like intriguing stuff. ★★★★★

## Bad Move

8pm, ITV

Jack Dee plays Steve in this hilarious comedy series. Tonight he gets his driving licence back and assures his family he won't speed — and even seems to be living up to his word. That is until he's offered the chance to drive Grizzo's new sports car — can he stick to the strict road rules around his new home or will the police be seizing his licence once again? ★★★★★

## Grand Designs

9pm, Channel 4

Kevin McCloud meets Steph Wilson who has bravely bought a huge 27-acre plot of farmland that once belonged to her grandfather to rebuild old memories. Along with her husband Alex, the pair hope to build their dream home on the old gravel pit she played in as a child. But their plan is proving a lot harder to complete than they could have ever imagined. ★★★★★

## Taxi

7pm, Film4

Belle Williams (Queen Latifah) drives the quickest taxi in the whole of New York — so much so that she catches the eye of cop Andy Washburn (Jimmy Fallon) who could do with her help. Teaming up, the new duo attempts to catch a group of clever, all-female bank robbers — but will they be fast enough? This all-action comedy really is a thrill a minute. ★★★★★

## No Offence

9pm, Channel 4

We're already at the penultimate episode of what has been a nail-biting series of Paul Abbott's gripping police drama and things are definitely not calming down for the team this week. Everything is getting a little bit tense when Caroline McCoy, played by the brilliant Lisa McGrillis, takes her place at the helm as mayor in Manchester. But the locals aren't happy with what's going on and chaos kicks off in the streets. This forces the no-nonsense DCI Terry Taylor (Nigel Lindsay) to step in. He heads into the Friday Street cop shop to get all of the team to

cooperate with Caroline's new plans. But the unit isn't going to fold that easily and they have other stuff to focus on. Trying to avoid DCI Terry and his orders, they get to work on using Bonnie (Tamara Lawrance) and Dennis (Neil Maskell) to expose the truth about Caroline. Plus, they're hoping this will finally bring in Joy's killer Beckett (Darren Connolly). But will Dennis and Bonnie cooperate or will the team be left back at square one once again? Another gripping episode that will leave you scratching your head for another week. ★★★★★

## The Big Audition

9pm, ITV

We're back for ITV's brand new reality series which takes a look behind the scenes at the process both auditionees and employers go through when it comes to casting. This week it's an exciting one too as the panels look for a hand model, a new children's TV presenter and a John Lennon lookalike. First up it's CITV who are on the hunt for a new presenter for their show *Scrambled!* and budding TV stars are chomping at the bit to get the part. Coming in for the audition are Tinea, who's a professional presenter, Alyce who has no experience and Kerry, a former dancer. The girls

must remember all of their lines to impress the panel, plus tell a few jokes and show they can work well with the show's puppet Mr Cuddle Monster. Then it's the turn of the hand model as beauty brand Barry M need someone fresh to present a new product. We then meet veteran hand model Nicki and a waitress called Ruby who's never modelled before. Finally it's the audition for a John Lennon lookalike, he must be able to sing and have an authentic Liverpudlian accent. Can the auditionees impress the panel with their best impression? ★★★★★

They're trying to find a way to split up Matthew and Diana as Matthew is on the hunt for a witch who broke into his lab. However, his mother also wants to break the couple up so takes Diana on a journey into Matthew's past, but will it be enough to put her off? ★★★★★

FILM OF THE DAY

## Aquarius

Jan 21 – Feb 19

You may have to take some time away from your own work to help other people finish jobs they are struggling with. Later, you will need to be firm with people who can't seem to think for themselves. Make it clear they can't rely on you all the time. Get together with your partner to discuss what you're hoping to achieve by the end of the year. Think carefully about your hopes for the future. If you both agree on joint aims now, you can look forward to a happy and successful few months to come.

**0905 789 3651**

## Pisces

Feb 20 – Mar 20

A difference of opinion will bring about a confrontation you have been trying to avoid. You sensed this was going to happen but this doesn't make it any easier. If someone you love is getting on your nerves, pause for a moment and remind yourself of all the wonderful things they bring to your life. Volunteering to help at a charity or social event will be rewarding. Helping those who are less fortunate will make you feel you are doing something useful. You are starting to feel more in control of your life.

**0905 789 3652**

## Aries

Mar 21 – Apr 20

You're putting a lot of energy into routine tasks because you want to get as much as possible out of the way. These chores aren't difficult but they will demand a fair amount of your precious time and attention. Another area of your life that needs some attention is a close relationship. Someone near and dear to your heart is starting to feel you've lost interest in them. The flames of love will falter and fade unless they are fed and nurtured. It's time to spice up your romance and see it blossom.

**0905 789 3641**

## Taurus

Apr 21 – May 21

Keep conversations light if there is tension in a friendship or working relationship. Arguments could break out with someone who has very different views to yours. Leave political, religious and cultural issues well alone and don't get too personal. You might be struggling keeping up with everyday expenses. Bills are pouring in so keep your spending to a minimum. Although the offer is there, it won't be a good idea to borrow money. Make do with what you have.

**0905 789 3642**

## Gemini

May 22 – June 22

You are easily distracted. It will be best to turn off your mobile and keep your mind on what you're doing if you are working on anything complicated or serious. Daydreaming could easily lead to careless mistakes. You might find yourself puzzled by a family member's strange behaviour. No matter what you do or say, they will object to your ideas. Since you won't be able to change their mind, it might be better to keep some of your thoughts and plans to yourself for the time being.

**0905 789 3643**

## Cancer

June 23 – July 23

If one of your priorities is to follow your own path, it may be necessary to break away from the crowd and take a different road. Be brave and follow your impulses. You won't regret it and events later in the week will confirm you were right to go with your instincts. There may be a clash with someone close. Whether it is private or social plans that come between you, the least said, the sooner it will be mended. Use your powers of diplomacy to promote harmony around you.

**0905 789 3644**

## Leo

July 24 – Aug 23

Are you getting value for your money? "Buy cheap, buy twice". It would be better to get a quality product than a shoddy one. You might be tempted by an offer that could cost you a lot. It will be very difficult to refuse but consider this carefully and think about the consequences of your actions. Embarking on a new romance will be thrilling. You and a partner find each other irresistibly attractive at the moment and this will keep you out of commission socially for a short while.

**0905 789 3645**

## Virgo

Aug 24 – Sep 23

There aren't too many demands on your time and this should make for a pleasant change for you. When you find yourself with time to spare, don't start looking for things to do. Take this chance to relax and unwind. Evenings will be spent in the quiet comfort of your own four walls and you should make the most of it. Later, you will feel ready to venture out of your shell to mingle with friends and neighbours. A low key social event on Saturday evening will round the week off perfectly.

**0905 789 3646**

## Libra

Sep 24 – Oct 23

In work, money and legal matters you will leave no stone unturned. Some people will not be keen to get too deeply involved but you need to know all the ins and outs. This will put you at an advantage when dealing with those in authority. If you are preparing for a test, examination or interview, your concentration will be good and you will make a good impression on the people who matter. It's a good time for research, study and writing papers, so take some quiet time and focus on your work.

**0905 789 3647**

## Scorpio

Oct 24 – Nov 22

If a friend offers to lend you some support, accept it. If it is money they are willing to give you, think twice. This isn't a good time to be careless with your cash. Making an expensive purchase with a credit card could well be cause for later regret. Also, before throwing your energy into a possible careless venture, stop and think about what you are doing. Do you realise what you could be letting yourself in for? An impulsive decision could land you in hot water so think before you act.

**0905 789 3648**

## Sagittarius

Nov 23 – Dec 21

An older relative will try to persuade you to change your plans to fall in with some family arrangements. Your natural reaction will be to rebel against their suggestions. If you stop and think about it, you might realise they do have your best interests at heart. Don't think that admitting you don't understand something is a sign of weakness. Should you need help or advice, ask and it will be given. This is how we all learn and this is how you can move forward again in a positive way.

**0905 789 3649**

## Capricorn

Dec 22 – Jan 20

You're the one who must constantly engage someone in conversation whenever you get together. You aren't normally very talkative but the only way to break long silences is to discuss anything including the weather. If this is a new relationship, you might wonder whether you're actually destined to be together. There are some interesting things going on in your neighbourhood. Keep up to date with what your friends and neighbours are doing. Something they are arranging will be just up your street.
